*“Growing Friendship Through Service”*

**President’s Message**

Fellow Lions, it has been a busy a few months. Our club has one new member! Lion Anthony's best friend Lion Brad was sponsored by Lion Jez. In less than six months, our club has added two members. At this rate we will have another two additional members before the end of the Lion Year.

During the November membership meeting, Diane and Richard Nares of the Emilio Nares Foundation shared their story with our club. Their foundation provides free transportation for children battling cancer. Our members have individually donated over \$600 to the Emilio Nares Foundation this year. Childhood Cancer is one of the core service areas of Lions Clubs International.

November is Diabetes Awareness month.

If you are looking for an organizations to support you can support the City of Hope Lions Diabetes Innovation Fund as well as Juvenile Diabetes Research Foundation.

San Diego Majestic Lions Club is hosting a Lions Diabetes Walk & Zumba event on Saturday November 27 at Rohr Park at 4548 Sweetwater Road, Bonita CA 91902. Donation of \$25 includes breakfast and commemorative t-shirt. Visit parking lot B, Gazebo R5. Please let me know if you are interested and I will get you in touch with Lion Myrna Psillas, the president of San Diego Majestic Lions Club.

Please also attend our November 20 mini benefit concert fundraising event at the Rancho Bernardo Inn. Vincent Young will be performing along with jazz musician Gary Stokes. It will be a fantastic way to bring about the holiday season. Thank you fellow Lions for all that you do.
