Dulangan ES 2018

Constructed with SDEL Funds

SDEL Legacy Project in Dulangan Elementary School

- Funded the construction of electrical posts instrumental in providing access to electricity in the school.
- Initiated and funded the water pump allowing the school to have reliable safe water supply.
- Through voluntary donations built school library and teachers' quarters.
- Sent books and essential supplies for the school and library.
- Encouraged teachers and volunteers to plant trees, vegetables and decorative plants for food consumption and ground beautification.
- Periodic monetary donations for:
 - * Feeding programs at special occasions
 - * Backpacks and essential school supplies
 - * Assistance in funds for students competing in athletic sports
 - * Monetary incentives for high-achieving students
- SDEL sponsors membership fees of lion member who serves as the liaison in coordinating our projects in the school.
- With SDEL support, the school is able to engage in other functions allowing it to receive recognitions and thus secure fundings from other resources.
